

**Good Morning/ Evening:** My name is \_\_\_\_\_ and **I AM** a Knight of Columbus. My fellow Knights don't slay dragons, but we do support the American Red Cross. We don't rescue princesses, but we do support Pro Life endeavors. We don't protect castles, but we do help maintain our church and community. We proudly support our parish children with Free Throw Competitions, Easter Egg Hunts and Movie nights.

Nearly 100 parish gentlemen, many of them sitting around you now, are part of our Council at Sacred Heart. We're fathers and grandfathers, husbands and sons. We share a love of the Catholic faith and a passion for doing good work... **and you don't need to give a lot of time.**

If you are a practicing Catholic gentleman, 18 years or older, we invite you and your family to attend an Information meeting on March 18th at 7:30pm in the hall. Knights will be in the narthex after mass if you would like more information. No pressure, no obligations... I promise.

Thank you for listening and God Bless Sacred Heart.
